Important information in the event this document is distributed to US Persons or into the United States

Wealth management services in the United States are provided by UBS Financial Services Inc. ("UBS-FS"), a subsidiary of UBS Group AG. As a firm providing wealth management services to clients, UBS-FS offers investment advisory services in its capacity as an SEC-registered investment adviser and brokerage services in its capacity as an SEC-registered broker-dealer. Investment advisory services and brokerage services are separate and distinct, differ in material ways and are governed by different laws and separate arrangements. It is important that clients understand the ways in which we conduct business, that they carefully read the agreements and disclosures that we provide to them about the products or services we offer. A small number of our financial advisors are not permitted to offer advisory services to you and can only work with you directly as UBS broker-dealer representatives. Your financial advisor will let you know if this is the case and, if you desire advisory services, will be happy to refer you to another financial advisor who can help you. Our agreements and disclosures will inform you about whether we and our financial advisors are acting in our capacity as an investment adviser or broker-dealer. For more information, please review client relationship summary provided at www.ubs.com/relationshipsummary. UBS-FS is a member of the Securities Investor Protection Corp. (SIPC) and the Financial Industry Regulatory Authority (FINRA).
