

Extra support when you need it

Caring expertise, every step of the way

When you can no longer perform activities of daily living¹ on your own, long-term care protection can help by giving you and your loved ones a source of funds to pay for the services you need.

You have a team beside you

Asset Care® can help ease the physical, financial and emotional burdens of healthcare and aging while helping to minimize stress on your loved ones. It provides you and your family a care “team” with access to a support network that provides ongoing guidance, helps keep informal caregivers healthy and protects family relationships when stress can be higher.

At OneAmerica FinancialSM, we bring our experience and a compassionate approach to help people feel a greater sense of confidence. Our passion for our work keeps us customer-focused. Our deep knowledge gives us well founded perspective. Together, these qualities make us a thoughtful provider for long-term relationships.

Your OneAmerica FinancialSM care team includes:

Care benefit concierge²

We're here for you! Your care benefit concierge is your long-term care resource who will treat you like family, provide information and support you every step of the way. From day one of your claim, your care benefit concierge will assist to alleviate burdens and be your go-to resource for your long-term care benefits.

Caregiver consultant

Informal caregivers in the home have access to a consultant who will provide insights and education during optional monthly touchpoints.

Care coordinator

Your policy provides \$1,000 annually toward care coordination services, aimed at providing information about services and providers in your area.

1. Benefit payments are triggered in one of two ways (To be eligible for benefits, the eligible (covered) person must be a chronically ill individual with qualified long-term care services provided pursuant to a plan of care prescribed by a licensed health care practitioner.): You cannot perform at least two of six Activities of Daily Living (ADLs), which include bathing, maintaining continence, dressing yourself, eating/feeding yourself, toileting (including getting on and off a toilet) and transferring (like from a bed to a chair). (OR) You require care as a result of a severe cognitive impairment (such as Alzheimer's disease).

2. Care Benefit Concierge service is company practice and may be subject to change.
